MARK THESE FACTS!
Testimony of the Whole World.
HOLLOWAY'S PILLS.
"I had no appetite; Holloway's Pills gave me a hearty one."
"Your Pills are marvelous."
"I sent for another box and keep them in the house."
"Dr. Holloway has cured my headache that was chronic."
"I gave one of your pills to my babe for cholera morbus, and the dear little thing got well in a day."
"My husband of a morning is now cured."
"Your box of Holloway's Pills cured me of noises in the head. I rubbed some of your ointment behind the ears and the noise has left."
"Send me two boxes, I want one for a poor family."
"I enclose a dollar, your price is 25cts, but the medicine to me is worth a dollar."
"Send me 3 boxes of your pills."
"Let me have 3 boxes of your pills by return mail, for chills and fever."
I have over 300 such testimonials as these, but want of space compels me to conclude.

For Cutaneous Disorders.
And all eruptions of the skin, this ointment is most invaluable; it does not heat externally alone, but penetrates with the most searching effects to the very root of the evil.
HOLLOWAY'S PILLS
Invariably cure the following diseases.

Disorder of the Kidneys.
In all diseases affecting these organs, whether they secrete too much or too little water, or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the region of the kidneys, these pills should be taken according to the printed directions and the ointment should be well rubbed into the small of the back at bed time; this treatment will give almost immediate relief when all other means have failed.

For Stomachs out of Order.
No medicine will so effectually improve the tone of the stomach as these pills; they remove all acidity occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of dyspepsia, in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the best known in the world for the following diseases: Ague, asthma, bilious complaints, blotches on the skin, bowels, consumption, debility, dropsy, dysentery, erysipelas, female irregularities, fevers of all kinds, fits, gout, headache, indigestion, inflammation, jaundice, liver complaints, lumbago, piles, rheumatism, retention of urine, scrofula or king's evil, sore throats, stone and gravel, tetanus, tumors, ulcers, worms of all kinds, weakness from any cause, etc.

IMPORTANT CAUTION.
None are genuine unless the signature of J. H. Holloway, as agent for the United States, surrounds each box of pills and ointment. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
Sold at the manufactory of Professor Holloway & Co., New York, and by all respectable druggists and dealers in medicine throughout the civilized world, in boxes at 25cts, 50cts and \$1 each.
There is considerable saving by taking the larger sizes.
Directions for the guidance of patients in every disorder are affixed to each box.

THE SUN.
1877. 1 YORK. 1877.
The different editions of THE SUN during the next year will be the same as during the year just passed. The daily edition on week days will be a sheet of four pages, and on Sundays a sheet of eight pages, or 36 broad columns, while the weekly edition will be a sheet of eight pages of the same dimensions and character that are already familiar to our friends.
The SUN will continue to be the strenuous advocate of reform and retrenchment, and of the substitution of statesmanship, wisdom and integrity for hollow pretence, imbecility and fraud in the administration of public affairs. It will contend for the government of the people by the people and for the people as opposed to government by frauds in the ballot-box and in the counting of votes enforced by military violence. It will endeavor to supply its readers with a body not now far from a million of souls—with the most careful, complete and trustworthy accounts of current events, and will employ for this purpose a numerous and carefully selected staff of reporters and correspondents. Its reports from Washington, especially, will be full, accurate and fearless, and it will doubtless continue to deserve and enjoy the hatred of those who thrive by plundering the Treasury or by usurping what the law does not give them, while it will endeavor to merit the confidence of the public by defending the rights of the people against the encroachments of unjustified power.
The price of the daily SUN will be 35 cts. a month or \$6 40 a year, post paid, or with the Sunday edition \$7 70 a year.
The Sunday edition alone, eight pages, 50 cts a year, post paid.
The Weekly SUN, eight pages of 16 broad columns, will be furnished during 1877 at the rate of \$1 a year, post paid.
The benefit of this large reduction from the previous rate for the Weekly can be enjoyed by individual subscribers without the necessity of making up clubs. At the same time, if any of our friends choose to add in extending our circulation, we shall be grateful to them, and every such person who sends us ten or more subscribers from one place will be entitled to one copy of the paper for himself without charge. At \$1 a year, postage paid, the expenses of paper and printing are barely repaid, and considering the size of the sheet and the quality of its contents, we are confident the people will consider the Weekly SUN the cheapest newspaper published in the world, and we trust also one of the very best.

1877.

A Year of Momentous Political Events.

PROSPECTUS
—OF THE—
MISOURI REPUBLICAN.

Momentous events are thronging to the front. Two political parties of the country are marshalling their intellectual forces for the constitutional battle, on which hangs the fate of the government for the ensuing four years, perhaps for all time. From now till the 4th of March the republic will be the theater of a drama more thrilling in interest than any ever before enacted in America, to be followed, in all probability, by a period of the profoundest concern to all our people. Some predict a terrible clash of arms, but whether or not war results from the turbulent condition of the public mind, it is certain that the year 1877 will see thick-crowding occurrences of great moment.

Of these events and circumstances the Republican will be a watchful, faithful chronicler. Its news will be the freshest and latest that competent and experienced journalists can obtain on whatever field the same is to be collected.

The Republican will endeavor, in its editorial course, to uphold the constitution and the laws guaranteeing a truly republican form of government. It will counsel moderation in the treatment of political questions, but firmness in the defence and maintenance of right, as the only foundation of enduring peace.

In all its departments—news and correspondence, political, commercial, financial, agricultural, local, miscellaneous, etc., the Republican will at least sustain the character it has so long held, and which has been acknowledged in thousands of commendations from the press, and hundreds of thousands from the reading public.
